

DEBORAH RISE MOVEMENT

*'Arise, Shine for thy
light has come'
Isaiah 60:1*

Dear Brothers & Sisters in Christ

Greetings to you in the beautiful name Jesus! Deborah Rise Movement (DRM) was started a year ago, inspired by the love of Jesus to pray for the sick, the lonely, the poor, the needy and the marginalized. Started with 12 zealous women, on the 4th of April 2020, we now have grown to about 100 men & women who love the Lord and want to be His hands and feet in this hurting world.

Our movement was about praying for the hurting world & sharings on various topics to build our Christ centered faith. 'Faith without actions is dead', adhering to which we reached out to the migrant workers who were walking back to their different states. We provided food & water packets to those journeying back to their motherland. We sent around 7 lacs raised by our own members. DRM has the social connect group, prayer connect group and the lifeline connect group which responds to the various needs of the people.

With covid ravaging our nation for over a year and people slipping into poverty and hopelessness, DRM has taken it upon itself to reach out with the love of Jesus in practical ways by providing money for groceries & medicines for covid affected families & bereavement support. This year the Lord has been leading us to people who are on the verge of giving up hope and take a drastic step. We have been able to reach them with help and hope. We have provided support to over 50 such families. Our dedicated volunteers check for the authenticity and genuineness of the people before funds are released.

Our volunteers have visited hospitals, provided food and shared the love of Jesus. Our monetary support through covid care initiative has revived hope for many families. If you would like to join us and reach out to people in need in the Name of Jesus, we welcome you.
